8th - 9th November 2024 | Shanghai, China

RATIONALE

Dear Colleagues,

We are very pleased to welcome you to the Masterclass in Allergology and Dermatology: Hot Topics held in Shanghai November 7-8-9, 2024.

The common thread of the meeting will be discussion on key topics from Allergy & Dermatology. The main theme embraces sessions, lectures and panel discussions with participation of distinguished scientists from all over the world.

HOT TOPICS:

Food Allergy

Anaphylaxis

Atopic eczema

Allergic rhinitis and chronic rhinosinusitis

Challenges in diagnosis and treatment

Biologics

More time will be devoted to discussion, interaction, and contribution from the audience with the concrete participation of Emerging Leaders from the Asian Pacific Region, who will be involved into the scientific program reporting their valuable work and experience discussing in the allotted session. We designed this program to give the opportunity to young clinicians and researchers to be protagonist of the scientific outcomes of this Mastecclass.

We welcome all of you in Shanghai for an exciting Masterclass in Allergy & Dermatology: Hot Topics.
