RATIONALE

Dear Colleagues,

It is our great pleasure to welcome you to Bangkok, Thailand, for the International Consensus on Allergy, Respiratory Medicine & Dermatology 2025, co-hosted by Fondazione Menarini and the Allergy Asthma Immunology Association of Thailand (AAIAT). This meeting serves as a platform for global collaboration, bringing together experts from around the world to advance our understanding of allergy, respiratory medicine, and dermatology.

Throughout this conference, we will engage in cutting-edge discussions, share groundbreaking research, and explore ways to align perspectives in these key fields. With sessions led by renowned faculty and thought leaders, our goal is to bridge the gap between scientific advancements and clinical practice, ensuring that our collective knowledge translates into improved patient care worldwide.

As co-presidents of this meeting, we are honored to have such a distinguished gathering of experts and look forward to the collaborative spirit that defines this event. We encourage you to actively participate, exchange ideas, and take full advantage of this opportunity to shape the future of our disciplines.

Welcome to Bangkok, and thank you for being part of this important initiative!
